Priorities for the area and Updates

Anti Social Behaviour

Continued focus Upper Dock Street – calls have reduced drastically for asb in that area

Operation Lumley – dedicated officers every other night in our hotspot areas of High street and Cambrian Road, responsible for 21 arrests, 19 stop searches and 5 community resolution.

Night Time Economy

City Safe model in place, dedicated neighbourhood teams completing the evening targeted phase and then staffing is supplemented by response officers till early hours.

Shoplifting

LPA priority force lead in strategy for shoplifting

Engagement increase for business owners

Report shoplifting or any asb

We will use facial recognition on good quality cctv

Utilise store net radio and DISC

Looking to maximise any sentences by informing courts of all offences

Using VPS from retail staff
